WE ARE IN LIFE SCIENCES

Indiana's vibrant and uniquely collaborative life sciences industry boasts statistics that rival coastal hubs of activity and has gained national recognition for leadership.

WORK IN Workforce & Wages

2,157 companies are working in the areas of drugs and pharmaceuticals, medical devices and equipment, agricultural chemicals and feedstock, medical, research and testing laboratories and biologistics. In 2019, Indiana companies committed to invest more than **\$800 million** in new facilities and equipment.

Average wage per person in life sciences is **>2x** the average wage per person in the private sector.
